Dear Lt. Callahan,

Thank you for your update on July 28th indicating that my request has been forwarded to your legal staff for review.

I am writing to respectfully request a status update and a timeline for your final response. While I understand that internal legal review may necessitate a delay, please note that pursuant to § 610.023.3, RSMo, if access to public records cannot be granted within the initial three business days, the custodian is required to provide a detailed explanation for the delay as well as "the place and earliest time and date that the record will be available for inspection."

Because your previous correspondence did not include this required timeframe, please provide the earliest date and time by which MSHP will conclude its review and provide either the requested administrative records or a final legal determination.

Thank you for your time and your continued assistance in ensuring this request is processed in accordance with the Missouri Sunshine Law.

Sincerely,

Managing Member
