Subject: Missouri Sunshine Law Request: ALPR System Records

Dear Custodian of Records,

Pursuant to the Missouri Sunshine Law, Chapter 610, RSMo, Midwest Transparency Audit LLC is formally requesting access to and copies of the following public records pertaining to the Lafayette County Sheriff's Office's use of Automated License Plate Reader (ALPR) systems, specifically regarding Flock Group Inc. (dba Flock Safety):

- 1. Contracts and Financials:** Any and all current or past contracts, Memorandums of Understanding (MOUs), service agreements, financial invoices, or subscription agreements between Lafayette County / Lafayette County Sheriff's Office and Flock Group Inc.
- 2. Data-Sharing Inter-Agency Agreements:** Any documents, electronic agreements, or "Hotlist" sharing records detailing data access, query capabilities, or network integrations with external law enforcement agencies (including neighboring county sheriffs or state/federal agencies) via the Flock Safety Cloud platform.
- 3. Private Deployment Access Agreements:** Any records of agreement or standard operating frameworks detailing the Department's access to private Flock Safety cameras deployed by local businesses, commercial properties, or homeowners associations (HOAs).

4. **Internal Usage Policies:** All internal department policies, data-retention schedules, training materials, standard operating procedures (SOPs), and user auditing mandates governing how officers use Flock Safety tools or automated license plate readers.

As these are standardized administrative records, I am formally requesting that all responsive documents be produced electronically and delivered via email to mwtransparency.audit@proton.me.

If my request is denied in whole or in part, I request that you justify all deletions or denials by reference to specific exemptions of the Missouri Sunshine Law. I will expect a response within three (3) business days, as required by § 610.023.3, RSMo.

Please acknowledge receipt of this request.

Sincerely,

Managing Member
